

245L Built-in bottom freezer fridge with Cooling 360° Metal Cooling technology, GreenZonePlus crisper, ExtraChill drawer, and inner liner made from 70% recycled plastic.

RRP AUS \$3,499.00

Product Details

FEATURES

5-Star energy

Cooling 360° Metal
Cooling 360° distributes cold
air to every corner.

TwinTech NoFrost
TwinTech No Frost maintains
optimal humidity.

GreenZonePlus
GreenZonePlus preserves
fresh produce for longer.

ExtraZone
Your dedicated space
for different type of food.

Recycled Inner Cavity

BENEFITS

KEEP FOOD FROST-FREE AND FRESH

The TwinTech No Frost fridge-freezer, with a dual-cooling system, ensures the freezer stays frost-free. And the humidity in the fridge is always optimal, helping keep food fresh and odour-free.

OUTSTANDING 5-STAR ENERGY

Our 5-star energy rating confirms the Fridge's energy efficiency, helping you save on your power bills, all without sacrificing performance.

KEEP IT COOL IN EVERY CORNER

Advanced cooling technology delivers exceptional food preservation. Cooling 360° combines a premium stainless-steel rear panel and multiple vents to evenly and thoroughly circulate cold air to every corner.

PEAK FRESHNESS FOR LONGER

The GreenZonePlus drawer keeps fruits and vegetables fresher for longer. The sealing lid ensures that the environment is separated from the rest of the fridge. And automatic humidity control helps to maintain the ideal environment in the crisper.

BETTER FOR THE ENVIRONMENT

Introducing the unique fridge made with 70% recycled plastic in the inner cavity and 15% recycled plastic overall. Designed for circularity, plastic from discarded fridges is recycled to make new refrigerators, reducing the amount of waste for less environmental impact. *Inner liner RHIPS is made with up to 70% recycled plastic

Specifications

PRODUCT PROFILE

Domestic warranty details (yrs)	5
Refrigerator Type	bottom mount
Exterior door finish	Cabinetry required (not included)
Fridge door opening	reversible
Cooling system	frost free
Freezer door opening	reversible
Refrigerant	R600a
Suitable for outdoor undercover use	No
Compressor	Inverter

DIMENSIONS

Total height (mm)	1769
Cabinet height (mm)	1769
Total width (mm)	557
Cabinet width (mm)	557
Total depth (mm)	549
Cabinet depth (mm)	549
Air space above cabinet (mm)	11
Food Compartment Capacity (L) - AS/NZS 4474.1 2007 (IEC 62552-2015) *	182
Freezer Compartment Capacity (L) - AS/NZS 4474.1 2007 (IEC 62552-2015) *	63
Convertible Compartment Capacity (L) - AS/NZS 4474.1 2007 (IEC 62552-2015) *	0

ENERGY

Energy Star Rating AS/NZS 4474.2:2009	5
Energy consumption AS/NZS 4474.2:2009 (kWhr/yr)	190

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

Electrolux Home Products warrants that for domestic applications the AEG appliances featured are free from defects in materials and workmanship for 5 years (3 months warranty for commercial applications). All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
